

### Test-Reading Strategies Checklist

<i>I Remembered to</i>	<i>Comments</i>
Keep my interacting voice loud and clear.	
Reread to notice important details and clear up confusion.	
Notice the text structure of expository text by watching the word cues.	
Study graphics to decide how the information is related.	
Watch for the characters, setting, plot, and theme of the story.	
Pay close attention to what the characters want, what they do, and if they change.
